GENTLEMAN'S FACIAL BEFORE & AFTERCARE

Using the power of peptides, stem cells and exfoliants, this treatment effectively addresses the skin care concerns of men. Invigorate the skin with an effective enzyme exfoliation, massage, powerful anti-aging ingredients and a detoxifying mask. This treatment will revitalize, refresh and improve the health and appearance of men's skin.

BEFORE YOUR FACIAL

- Discontinue any manual or chemical exfoliation 3-5 days prior to service.
- Discontinue all Retin-A and retinol products 3-5 days prior to service.
- Avoid direct sun exposure for 5-7 days prior to service.
- Schedule your Botox or filler after your service.
- No facial waxing 1-2 weeks **prior** to service.

AFTERCARE

- Follow the home skin care regimen recommended by your skin care professional. Following a home regimen is imperative to improve pigmentation and skin tone.
- Do not use manual exfoliation products such as facial scrubs at any time.
- Avoid using a washcloth as they often harbor bacteria, instead just use your clean fingers to cleanse your face and pat dry with a paper towel.
- Direct sunlight exposure is to be completely avoided immediately following the treatment (including any strong UV light exposure or tanning beds).
- Oil free SPF 30+ **must** be applied daily to the treated area for a minimum of two weeks.

TREATMENT FREQUENCY

- Recommended frequency is as often as once a week.
